Assets to be transferred

Step 1: Type of transfer: Full — transfer all account assets. List ALL securities to be transferred in-kind to your ShareBuilder account.
 Partial — transfer only the securities listed below.

Step 2: Securities to transfer—Indicate what stocks you wish to transfer.* Verify that your securities may be transferred by looking at each quote on the ShareBuilder website.

Security Name	Symbol	Quantity (whole shares only)

*All positions are transferred in kind. More to list? See page 2.

Authorization and signature

We require a signature of the account owner in order to transfer your assets. Your signature indicates your understanding of and agreement to this transaction.

I authorize ING DIRECT Investing, Inc., to transfer the assets specified in the above form (and on the attached form if applicable), from the brokerage listed in the "FROM" section, to the ShareBuilder account listed in the "TO" section.
